The screenshot shows a web browser window displaying a TMZ article. The browser's address bar shows the URL: <https://www.tmz.com/2021/12/27/kanye-west-buys-house-across-street-kim-kardashian-divorce/>. The article's headline is "KANYE WEST BUYS A \$4.5 MILLION DOLLAR HOUSE ACROSS THE STREET FROM KIM KARDASHIAN". Below the headline is a photo of the interior of a house, showing a large room with a white door and a large window. To the right of the photo is a "MOST POPULAR" section with two items: "Vogue Legend Andre Leon Talley Dead at 73" and "Chris Daughtry's Daughter Hannah Price Died from Suicide by Hanging". At the bottom of the article is a map of Tennessee with a red pin indicating the location of the house. The map is titled "Tennessee Tractor, LLC" and "Locally Owned Since '98". Below the map are buttons for "Store info" and "Directions". At the very bottom of the screenshot is a blue banner for TensorFlow, which says "You Could Get Up to 3x Performance with TensorFlow" and "Find out how you can optimize TensorFlow performance on platforms based on Intel® Xeon® processors."
